RECEIVED

9. Proposed use will be from January 1 to December 31 of each year.

Month and Day

Month and Day

10. Existing use permitted from January 1 to December 31 of each year.

Month and Day

Month and Day

11. Description of proposed works. (Under the provision of NRS 535.010 you may be required to submit plans and specifications of your diversion or storage works.) (State manner in which water is to be diverted, i.e., diversion structure, ditches, pipes and flumes or drilled well, pump and motor, etc.)

Existing well and distribution system that was used under abrogated Permit 61670, equipped with a submersible pump system, flow meter and controls.

12. Estimated cost of works \$ 100,000

13. Estimated time required to construct works 1 Month

If well completed, describe well.

14. Estimated time required to complete the application of water to beneficial use 1 Year

15. Provide a detailed description of the proposed project and its water usage (use attachments if necessary): (Failure to provide a detailed description may cause a delay in processing.)

The water use will be for landscape and water feature make-up water at the New York - New York Hotel and Casino, The Park feature, and Arena. The point of diversion is at an existing well that has been formerly used in this capacity at New York - New York under abrogated Permit 61670.

16. Miscellaneous remarks:

Please refer to supporting map on file for Permit 71910 for the existing point of diversion and place of use. Please refer to the supporting map for Permit 61670 for the proposed point of diversion and place of use.
